First Call Theological Education (FCTE) is committed to providing a three-year structured program of theological education and involvement in colleague groups, designed to assist newly called leaders in the transition to public ministry (called “rostered ministry” in the ELCA). To learn more about the ELCA commitment to support the transitioning of new leaders and to lifelong learning in the ELCA, check out the links at [www.elca.org/firstcall](http://www.elca.org/firstcall)

### About this year’s conference

We have been selected to be a pilot program for a new model of FCTE, which centers on leadership formation and coaching. We will focus on discerning strengths and gifts in ministry, applying the wellness wheel in the life of leaders, raising up missional leaders, and moving beyond the congregation into the community.

### This year’s plenary presenters include:

James Nieman - Academic Dean, Hartford Seminary  
Tom Morgan – Augsburg College  
David Anderson – Vibrant Faith Ministry

### Additional presenters:

Dick Bruesehoff – ELCA Missional Leadership Coordinator
