

Dear Friend of Lutheran World Relief,

On the reverse side of this flyer, I have listed the shipping and loading schedule for the 2010 Lutheran World Relief Drive.

Please have it posted on your church bulletin board.

Please encourage your church members to participate in this year's drive by bringing to your local loading site their contributions of quilts, blankets, school kits, health kits, soap and sewing kits.

Cash contributions are most welcome. **Send cash directly to:**
