

Gloria Dei Coffee Haus

Gloria Dei sponsors a "Coffee Haus" for high School students on Thursday afternoon from 3 pm until 4 pm, October thru the end of May.

The "coffee Haus" started three years ago as the result of an interest gathering session we were doing while we were looking for a new minister. We wanted to share our fellowship with others who might not know the Lord. The church is located directly across the street from the high school in Neenah. We had a wonderful resource at our disposal and felt that we could reach out in a friendly and inviting way.

We started out announcing it on Sunday mornings and by hand out flyers to the kids as they crossed the street. In the three years we have seen the "Coffee Haus" grow from 30 kids to over 150+.

We offer fellowship and free snacks. The kids are welcome to sit and talk or to grab a bite and head for their bus.

The benefits have been that the congregation has reached out to teenagers that might not have had a home church. We have given the teens a place to find comfort, safety and to know that there is support here even on days when the "coffee Haus" is not open.
