Peace Lutheran's Health Ministries

Peace Lutheran Church received a grant for Parish Nursing Ministry in July, 2000 from St. Mary's Hospital through the Women's Auxiliary. Gloria Jeager, RN, Parish Nurse developed the Parish Nurse Ministry and retired in April, 2004. The congregation decided to continue with the ministry by paying the salary in full starting July, 2004. Marsha Mueller started as the Parish Nurse on April 15, 2004 and is paid for 20 hrs/week.

This ministry is successful because of all the "Helping Hands of God" in our congregation. There's 12 different Health Ministries under the Parish Nurse Ministry. With the support from God, Pastor Don and many "helping hands", the Parish Nurse Ministry has grown! John 15:58 and John 17 are Bible Verses that are important to us.
