

Res-A-Wreck Automotive Ministry

Res-A-Wreck Automotive Ministry started as part of Christ the King's P.A.L.S. (Prayer, Activity, Learning, Support) small group program three years ago.

The goal of Res-A-Wreck is to provide low or no-cost automotive repairs to our neighbors in need. Having been blessed with skilled volunteers, donated parts and vehicles along with monetary donations, Res-A-Wreck has saved those in need hundreds of dollars in repairs. Example: transmission flush, oil/filter, rotate tires, rear bearing seal, adjust brakes, new air filter and fix a door – all for \$25! A savings of at least \$300. Res-A-Wreck has also been able to provide six families with donated cars.

By obtaining replacement parts at cost, free fluids, donated or low-cost vehicles and donated labor, Res-A-Wreck has saved Christ the King members and non-members \$25,000 since starting the ministry. Three teams (totally 30 individuals) meeting once a month for a "work date" while enjoying helping others in need and great fellowship help make Res-A-Wreck so successful.

'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?'

"The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'

Matthew 25:37-40
