A Study For ELCA Declaration To People Of African Descent

SURVEY

Thank you for participating in the Now is the Time: Declaration of the ELCA to People of African Descent Study. Please answer the questions below and return to [your name] at [email@email]. You don't need to use this form; just write the question number and your response in a separate email or mail to [mailing address] Thank you!

1 - What was the best thing about the study?

2 - What can we improve for next time?

3 - Would you be willing to be the contact person for your church - to pass information along to others in your congregation? (A few of you already said yes to this at the October workshops.) If yes, please give us your name, congregation and city, email address below.

4 - If you would like to be kept on a mailing list for other events, please give us your name and email address here.

5 - If you (and perhaps a partner) would be willing to facilitate the Now is the Time study at your church, please indicate that here. Randy has created excellent power points for each session and is working on a packet of materials for you to use.

6 - If you have a book, movie, documentary... that you would like added to the synod Racial Equity Resource List, please give us the title, author,... and a sentence or two why you recommend it. Unless you tell us not to, we will include your comment plus your first name and last initial.

7 - How else can the synod Racial Equity Team help you or your congregation to learn about racial equity? More studies like this? Training for how to lead a study? Training for how to lead small group discussion? What else?
